**County conducts online survey regarding draft policies for General Plan**

LĪHU'E – The Planning Department is conducting an online survey regarding draft policies for *Kaua'i Kakou*, the Kaua'i County General Plan update.

The General Plan is a document that serves as a guide for growth on Kaua'i including future land use, zoning amendments and capital expenditures. The last update was completed in the year 2000.

"Over the last 16 months, we have had numerous community events in all six of our planning districts where residents and businesses shared their thoughts on the future of Kaua'i," said Mayor Bernard Carvalho, Jr. "Now, we would like to encourage the public to participate in the next step in the process, which is an online survey on key policies."

To take the survey, please go to the project website, <http://plankauai.com>. All responses must be received by Friday, Sept. 30.

For more information, please visit the website or call the Long Range Planning Division at 241-4050.
